To Whom It May Concern:

We are writing this in reference to LORNA BRACEWELL:

Lorna has been a staple of the music industry in our community for many years now. We have had the good fortune of hiring Lorna as a support act to some of the biggest names in the music industry. Lorna has wow'd Ruth Eckerd Hall audiences in support of Amy Grant, Heart, The Pretenders and most recently Chris Isaak.

Lorna always hits the stage with pride, charisma, confidence and most importantly an arsenal of great songs. The second Lorna walks onto the stage she has the audience in the palm of her hands. Her command of the stage and interaction of the audience is something that a 30 year vet of the industry would wish for.

Lorna and her entire team are a pleasure to work with from the moment you make contact with them. They are very considerate, accessible and appreciative of everyone's involvement in the show. In addition they are marketing savvy and willing to participate in the promotion to ensure the date's overall success.

Lorna is as low key and laid back as they come, yet has the intensity and power in her performance that will soon have her headlining our 2200 seat theatre.

We look forward to working with Lorna again in the near future and wish her a ton of success in the industry that she is born to be in.

Sincerely,

The Ruth Eckerd Hall Entertainment Dept.
