Dear Ms. Bracewell,

Thank you for your wonderful performances on July 25th, 2007 at our main library. You made our Teen Open Mic Night the most successful program we had for teens this summer!

I am extremely pleased with the way you hosted the Open Mic. The teens really enjoyed your positive feedback and encouragement. I especially appreciated the way you encouraged the performers to complete their songs even after they made mistakes or froze with stage fright. You were able to relate to them and gain their respect with your open attitude and friendly, easy-going personality. After the program, the evaluation comments from the audience were excellent.

Personally, I am grateful for all you did for me as well. Your warm personality and the level of professionalism you exhibited put me at ease. I really enjoyed talking with you before and after the program. I hope we will keep in touch and that you can perform here again for another Open Mic very soon.

Sincerely,

Jennifer McQuade
